BRIDGES is an outreach program for the homeless based in Summit and reaching out to homeless men, women and children in shelters and on the streets in New York, Newark and Irvington. The mission of BRIDGES is to bring the housed and the homeless together in community to share our human experience. We enable our student, adult and organizational affiliates to give immediate comfort to the homeless and create an occasion for housed and homeless people to share in fellowship. Each week BRIDGES, along with adult and high school volunteers fill BRIDGES' distinctive yellow truck and deliver over 700 brown bag lunches (complete meals in a bag), gently used clothing, new socks and underwear, toiletries and other items of necessity. Equally important, BRIDGES volunteers meet homeless neighbors with respect, dignity and friendship.
