“We have found that volunteering for Bridges builds morale, develops leadership skills, and creates a sense of team spirit. Working with Bridges benefits R&R Marketing and our associates as much as it does the people we are trying to help. We believe strongly in the importance of giving back to the community in which we live.”

Jon Maslin, President & CEO, R&R Marketing
The Charmer Sunbelt Group

Bringing the housed and homeless together in community

Corporate Sponsorship & Volunteer Opportunities

www.bridgesoutreach.org/corporate
908-273-0176

Mission:

Bridges connects the housed and homeless to establish relationships that lead to greater acceptance and understanding, social and economic growth, and wellbeing.

Street Outreach:

Over 25 years ago, our co-founders made their first trip to the Brooklyn Bridge with sandwiches, soup and coffee, offering sustenance and friendship to people who were homeless. Every Friday night since then, Bridges has made an outreach visit (Run) to New York. Realizing the need closer to home, Bridges began outreach to Newark in 1996, and to Irvington in 2002.

Project Connect:

In 2014, Bridges launched Project Connect in Newark. There, our case managers work with homeless clients to establish needs and set realistic goals. Bridges offers financial and administrative assistance to help people obtain state IDs, and our 90+ partner agencies offer an array of services. Although housing and employment are the ultimate goals, meeting health and social services needs leads to a better quality of life for those who are homeless.

“Our vision for Newark is to help build a thriving community for all residents and workers. Working together, we can make Newark an even better place to visit, work and live.”

Kevin Cummings
President & CEO, Investors Bank

Ways to Get Involved:

Bridges provides many opportunities for corporations and their employees to have a real impact on our community:

Participate in Direct Outreach

- Make lunches or toiletry kits
- Organize a drive for needed goods or seasonal necessities
- Sponsor a Bridges Day

Financial Support

- Sponsorship/grants
- Matching gifts
- Employee contributions

Technical and Professional Support

- Join Bridges' board or a committee
- Provide marketing, development or other technical support

Sponsor a Bridges Day - a turnkey program to boost your group's team spirit and unity while giving back to your community.

For your \$2,500 donation, your group will roll up their sleeves and work together to make the lunches and toiletry kits needed by people experiencing homelessness. If you choose, complete the day by participating in direct street outreach to see the difference your work makes to people in need.

We'll bring everything to your place of business, so that you can make the most of your time, or you can set up at Bridges.

Bridges' staff will coordinate all arrangements, including:

- order and deliver all components
- oversee and direct the activities
- air a short film about Bridges' work
- lead a discussion about issues surrounding homelessness
- accompany your group on a Run (street outreach)

We can tailor the day to fit your needs and budget.
