## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Bridges Outreach, Inc.

### Report on the Financial Statements

I have audited the accompanying financial statements of Bridges Outreach, Inc. (a nonprofit organization) which comprise the statements of financial position as of May 31, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bridges Outreach, Inc. as of May 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED MAY 31, 2019 AND 2018

(1) **Nature of Organization**

Bridges Outreach, Inc., t/a Bridges, is a not-for-profit corporation based in Summit, New Jersey, organized in 1991 for the following purposes:

- To bring the housed and the homeless together and to develop and foster a caring community made up of sheltered and unsheltered homeless street dwellers and those living on the poverty line;
- To promote the values of understanding and caring for fellow humans to all of its constituents including students and youth groups;
- To foster material assistance by distributing articles of need, and to foster human dignity, fellowship, friendship, caring and emotional support through weekly visits to the sheltered and unsheltered homeless street dwellers and those living on the poverty line during which visits, food, clothing, blankets, toiletries and other items are distributed.

Bridges' programs include:

*Street Outreach*

Bridges delivers ready-made meals, clothing and necessities with compassion and respect to the most vulnerable homeless and food insecure in Manhattan, Newark and Irvington.

*Project Connect*

Professional case managers work with homeless clients in Newark to establish needs and set realistic goals that lead to better health, housing and independence. Onsite medical services are offered through a partnership with St. James Health.

*Summit Programs*

Every Friday, Bridges opens its doors to Summit neighbors in need offering showers, clothing and other necessities. Other yearly events include Martin Luther King Volunteer Day of Service, backpack and school supply distribution, and a health fair.

(2) **Summary of Significant Accounting Policies**

*Financial statement presentation*

In accordance with generally accepted accounting principles, Bridges Outreach reports its statements of financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions.

*Contributions*

Contributions received are recorded as without donor restrictions or with donor restrictions, depending on the existence or nature of any donor imposed restrictions.

BRIDGES OUTREACH, INC.  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED MAY 31, 2019 AND 2018

*Donated items*

Bridges Outreach receives donations of food, clothing, toiletries, camp & school supplies and other items which are distributed as part of its program services. All such donations are recorded as contributions at the estimated fair value at the date of donation.

*Donated services*

Bridges Outreach records donated services as income and related expense if the service provided is specialized and would be purchased if not donated.

*Cash*

For purposes of the statement of cash flows, Bridges Outreach considers demand deposits in financial institutions to be cash.

*Fixed assets*

Fixed assets are shown at cost, net of accumulated depreciation. Depreciation is provided over the estimated useful lives of the respective assets on a straight-line basis. The cost of maintenance and repairs is charged to income as incurred.

*Income tax status*

Bridges Outreach qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for income taxes.

*Functional expenses*

Expenses are charged to each program or cost center based on direct expenses incurred. Any expenses not directly chargeable are allocated based on applicable usage rates.

*Use of estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

*Accounting for uncertainty in income taxes*

Bridges Outreach's accounting policy is to provide liabilities for uncertain tax positions when a liability is probable and estimable. Management is not aware of any violation of tax status or exposure to uncertain tax positions that could require accrual or which could affect its liquidity or future cash flows. Bridges Outreach's exempt organization filings for the years ended May 31, 2017 through 2019 are subject to examination by the Internal Revenue Service and the State of New Jersey. Further, the Internal Revenue Service may examine Bridges Outreach's financial activities for income and unrelated business income tax for those years.

YEARS ENDED MAY 31, 2019 AND 2018

*New accounting pronouncements*

During the year ended May 31, 2019, Bridges implemented Financial Accounting Standards Board (FASB) issued Update No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities* (Topic 958). Accordingly, unrestricted net assets have been retitled as net assets without donor restrictions. Temporarily restricted net assets have been retitled as net assets with donor restrictions. Additional disclosures are included in the areas of liquidity and net assets, both with and without donor restrictions.

The Financial Accounting Standards Board (FASB) issued Update No. 2016-02, *Leases* (Topic 842), in February 2016. Under this guidance lessees are required to record most leases on their balance sheets but recognize expenses in the income statement. All entities will classify leases to determine how to recognize lease-related revenue and expense. In applying this guidance, entities must also determine whether an arrangement contains a lease or service agreement. Disclosures are required by lessees and lessors to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases. The amendments in this Update are effective for fiscal years beginning after December 15, 2019 and interim periods within fiscal years beginning after December 15, 2020. Management is evaluating the impact of this updated guidance on its financial statements.

In May 2014, the FASB issued ASU 2014-10, *Revenue from Contracts with Customers* (Topic 606), requiring an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. The updated standard will replace most existing revenue recognition guidance in US GAAP when it becomes effective and permits the use of either a full retrospective or retrospective with cumulative effect transition method. In August 2015, the FASB issued ASU 2-15-14, *Revenue from Contracts with Customers* (Topic 606) - *Deferral of the Effective Date*, which defers the effective date of ASU 2014-09 by one year. The updated standard will be effective for annual reporting periods beginning after December 15, 2018, and interim periods within annual periods beginning after December 15, 2019. Early adoption is permitted only as of annual reporting periods beginning after December 15, 2016. Management is evaluating the impact the updated standard will have on the financial statements.

**BRIDGES OUTREACH, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEARS ENDED MAY 31, 2019 AND 2018**

The Financial Accounting Standards Board (FASB) issued Update No 2016-18, *Statement of Cash Flows (Topic 230) Restricted Cash*, in November 2016, requiring a statement of cash flows to explain the change during the period in total of cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. Therefore, amounts generally described as restricted cash or cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statement of cash flows. The amendments in this Update are effective for fiscal years beginning after December 31, 2018, and interim periods within fiscal years beginning after December 15, 2019. Early adoption is permitted, and the Update should be applied using a retrospective transition method to each period presented. Management is evaluating the impact the updated standard will have on the financial statements.

The Financial Accounting Standards Board (FASB) issued Update No. 2018-08, *Not-for-Profit Entities (Topic 958) Clarifying the Scope of the Accounting Guidance for Contributions Received and Contributions Made*, in June 2018. The amendments in the update assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) with the scope of Topic 958 or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional. The amendments in this update are effective for fiscal years beginning after December 15, 2018, and interim periods within annual periods beginning after December 15, 2019. Management is evaluating the impact the updated standard will have on the financial statements.
