

Bringing the housed and homeless
together in community

Bridges' 2019 Local Business Supporter Opportunity
Bridges Brown Bag Bash March 30, 2019
Bridges 2nd Annual 5K, Fall 2019 (date TBD) Summit Village Green

Bridges Outreach, Inc., based at the Oakes Center on Morris Avenue, in Summit, provides food and essentials to men and women experiencing homelessness in Summit, Newark, Irvington, and New York City, each week. Since our inception in 1988, we've met many thousands of homeless individuals and delivered over 10,000 meals and literally, tons of clothing.

In 2014, Bridges opened Project Connect in Newark, the epicenter of the largest homeless community in NJ. There, we help individuals and families experiencing homelessness gain access to official documentation, shelter, housing, primary medical care, as well as legal and other valuable services. Our case managers work collaboratively to determine a set of achievable goals for each individual designed to lead to better health, shelter, employment, permanent housing, and independence. In four years, we have helped find permanent housing for more than 100 people who were previously homeless.

Bridges provides special recognition to local businesses that pledge their support to our organization. We are pleased to invite your business to become a Bridges' Local Business Supporter. As we look to the future, we know that our Local Business Supporters are crucial to helping Bridges accomplish its mission: to connect the housed and the homeless and to establish relationships that lead to greater acceptance and understanding, social and economic growth, and well-being.

In recognition of your support, we are pleased to offer the following benefits:

Bridges Local Business Supporter \$250
